I certify that the information submitted in this application is true and correct to the best of my knowledge and I understand that the Program is only open to rising sophomores and juniors.

I am also aware that if selected as a Bioethics Honor Student, and classified as a sophomore for Fall 2012 and beyond, I must reside in James Hall during my first year of participation. Also, as a Bioethics Honors Student, I must declare a Minor in Bioethics.

Satisfactory progress will be measured by maintaining the required cumulative GPA of 3.5, successfully completing all Bioethics Minor courses with a "B" or higher, and fully participating in all activities pertaining to the Honors Program.

I give the staff and faculty of the Bioethics Honors Program permission to verify this information for the purposes of determining admission to and evaluation of my academic progress while in the Honors Program.
